They say that anyone asking you to input your details anywhere is scamming you, and that you won't receive a glitched account or free Robux. The terms of service also warn against it, too. You're here because you're playing Roblox and you found some games you want to play, in-game bonuses, items, VIP servers, and other cool stuff only obtained through the in-game currency, Robux. However, since Roblox is mostly free-to-play, Roblox developers monetize their games or items to convert the Robux they earn from their creations into real-world money.

One of the worst things that could happen to you after using bogus free Robux generator cheats is getting your account banned from the game.

For the vast majority of Roblox's set of experiences, it was moderately little, both as a stage and an organization, because of both prime supporter Baszucki's absence of premium in press inclusion and it being "lost among the group" in an enormous number of stages delivered around a similar time.
